

PSYCH-K® Master Facilitation Workshop

Thank you for your interest in the PSYCH-K® Master Facilitation workshop (MFW).

I have created some general information about the MFW for you to read below, before booking, which includes venue addresses, cost and timings and also what is covered at the workshop.

After reading this information, if you would like to book a place at a workshop, you can do this directly through my website. If you would prefer to pay by bank transfer or in cash on the first day of the workshop, pop me an email at cazziedare@yearning4learning.co.uk and we can sort that out.

If you book your place via my website, you will receive a link to click on to download the workshop information document. This document has more detailed information about the workshop, such as accommodation options, and directions. If you book directly with me, I will send you the same document. I will also send a group email out a couple of weeks before the start of the workshop, to touch base with everyone.

What is covered at the PSYCH-K® 3 day Master Facilitation workshop

Important notice

A 39 page pre reading workshop manual is sent to participants prior to the workshop and upon receipt of payment. The manual must be read before the start of the workshop.

It is recommended that bookings are made and paid for at least two weeks before the workshop. This allows enough time to read the manual at least twice, as the first morning of the workshop is spent discussing the contents of the manual.

*** Once the manual is emailed to you, payment for the workshop becomes non-refundable. If, for some reason, you are unable to attend the workshop once the manual has been sent, you will be able to book on to another Master Facilitation Workshop, but not receive a refund *.**

Some of what you will learn at the MFW is outlined here:-

Introductions with Core Connection

Each participant will have an opportunity to provide a brief introduction including a Core Connection statement. The Core Connection is the statement you will share with someone when then they ask you what you do. It is a simple and highly effective way to engage people with out even mentioning the name PSYCH-K®.

Review and Discuss Pre-Workshop Materials

A limited amount of time will be available to discuss and clarify information from the manual.

Discuss & Balance with Mutual Language: ‘We’ vs. ‘I’

Using mutual language is one expression of doing ‘with’ versus ‘on’ or ‘to’.

Messages Protocol – Discuss, Demonstrate, Facilitate

Sometimes, situations and conditions may be transformed simply by identifying and Balancing meaningful goals. However, they commonly represent a superconscious attempt to bring something important to the Partner’s attention in the form of a ‘message’ (e.g. an insight, a change in perspective, a life style change, etc.). This process will be provided at the workshop.

Surrogation – Discuss, Demonstrate, Facilitate

Surrogation allows facilitation with someone who cannot participate directly, e.g. someone physically incapacitated, not physically present, or too young. The process is based on creating a ‘link up’ between the superconscious minds of the individual or group who will experience the change (the “Partner”), and that of a willing Surrogate. Surrogation will be specifically used in this workshop for facilitating internet video and phone sessions. Details and procedure will be provided at the workshop.

Facilitate in Triads with Debrief Discussions

In groups of three and in a total of three sessions for each format, each participant will be a Facilitator, a Partner, and an Observer. Sessions will include the following three formats:

ï In-Person, Face-to-Face Sessions

ï Internet Video Sessions - could be Skype, Zoom, FaceTime etc. You will have the opportunity to watch a demo session being facilitated and then you will have the opportunity to practice in groups of three.

ï Telephone Sessions - You will have the opportunity to watch a demo session being facilitated and then you will have the opportunity to practice in groups of three.

PSYCH-K® sessions are more and more commonly being offered by Facilitators over the telephone and online. This can really open up the possibilities for offering 1-1 sessions and the intention of these practice sessions is that you will gain the confidence to begin to offer sessions in this way.
